Evoking images of gladiators and ancient treasures, Rome is one of the world's most dazzling cities. Lovers gather by its many fountains to throw coins as they make a wish, share gelatos and sip cappuccinos in the middle of beautiful piazzas, and walk past three thousand years of history. In Rome, life really is dolce. ...

[BOOK REVIEW: For the Love of Cities - Features | Planetizen](#)

For the love of cities is a wonderful read; and it authorizes city planners to use the term "love" in their professional work. City planning is ready to transcend the technical aspects of future land use, infrastructure, GIS and land development codes to embrace the reality that cities are more than physical forms; they are an emotional experience that, when successful, fosters a society ...

A Tale of Two Cities is a dense classic, often studied in classrooms. Charles Dickens published the work late in his career as a popular novelist in Victorian England. The backdrop of A Tale of Two Cities is the French Revolution; and a whole myriad of colorful characters are in attendance (as is usual for the works of Charles Dickens).
