The World Trade Organization: A Very Short Introduction explanation of what the WTO is, what it does, and how it goes about executing its tasks. The World Trade Organization (WTO) is scarcely ten years old, but even in these early years of its existence it has generated debate, controversy and even outrage. The deep and far-ranging impact of the WTO on peoples' everyday lives means that it is not just an institution of interest to economists, but to everyone. A clear understanding of the ...

'The creation of the World Trade Organization' outlines the creation and structure of the World Trade Organization (WTO), which replaced the General Agreement on Tariffs and Trade (GATT) in 1995. Multiple non-tariff barriers had proliferated under the GATT in the 1970s and 1980s, outstripping its mandate. Thus, the WTO was formed in order to provide a coherent and unified system. The two key principles of the WTO are non-discrimination and reciprocity. The WTO differs from the GATT by ...
